

John Wainscott

After completing 4 years in the U.S. Army, **John** graduated from the University of Illinois and began his technology career working for the Illinois Department of Public Aid and subsequently for American Express, and ADP before retirement. The focus was Data Security, HIPAA, and Controls Assurance.

Volunteer work is his life. Helping Veterans – on the Volunteer Board at the VA Hospital in SLC. He has served both locally in Utah and then on the Knights of Columbus International Board of Directors with 3 years as the chair of the Pro-Life and Family Committee and 2 years Chair of the Audit Committee. Currently he serves on the Board of the Catholic Foundation of Utah.

He spearheaded the effort to fund the ultrasound machine at the Salt Lake City Pregnancy Resource Center and get the 'gently used' machine up and running in Brigham City Utah.

Currently John is fundraising for an ultrasound in Park City, Utah. His passion has been to assist the Pregnancy Care Centers in Utah. He has even traveled to San Francisco 9 of the last 10 years for the West Coast March for Life.
